J. NICHOLAS "NICK" BOSTIC

Protection by the Government and from the Government

- 17 years of prosecution experience
- 7 years of police experience
- Government employment at the municipal, county, state, and federal levels
- Military service, US Army Reserve
- Teacher and lecturer to police and prosecutors at the nationally recognized National Advocacy Center operated by the National District Attorneys Association
- Bachelor's Degree in Criminal Justice
- Master's Degree in Criminal Justice Administration

I will be a hands-on prosecutor and manager who appreciates that a public office is operated on hard earned tax dollars from citizens. The primary mission will always be to protect the rights of citizens to be free from the oppression and fear of crime while protecting the rights of defendants to due process and a fair trial.
